## Cover Page Contest

**DEADLINE FOR AD SUBMISSION: Friday, September  
14, 2018**

Announcing an opportunity for all students in the Steinert Marching Unit to create a cover for the Music in Motion Ad Book! Music in Motion celebrates the music of many schools, therefore the cover should encompass marching band music as a whole. We will also consider covers that incorporate this year's Steinert theme as part of a celebration of music/marching in general.

The designs will be judged by the administration and the winner will receive SMU gear. For fairness in judging, please put your name on the back of the cover only. The winner will be asked to add their name to the front of the cover before it is printed.

### Rules:

- Submit your drawing or computer-generated graphic on 8.5" x 11" white paper
- Artwork may be in full color but should have enough black to make it look good on a white background
- Students may submit as many entries as they would like
- Place your name on the back of the entry only
- Only original artwork will be accepted
- Music in Motion is a celebration of all schools so cover entries should not be based only on Steinert's theme
- Please include the following information on your cover: Steinert's Music in Motion
