Dear Manager,

Many schools today are cutting back or eliminating funding for non-academic programs. It is estimated that by the end of this year more than 25% of public high schools will have the arts completely dismantled. While the Hamilton Township school district continues to offer music programs, resources are limited. That's where you come in.

The Steinert Marching Unit Parents Association (SMUPA) promotes the educational and musical goals of the Steinert High School Instrumental Music Program. We provide financial support and volunteers to the music program. Financial support includes equipment, instruments, show design, music arrangement, staff stipends, and travel costs.

SMUPA requests your support for our Musical Basket Raffle being held on February 24, 2018. The baskets are on display during all 4 performances of this year's musical *Guys and Dolls*. Typical donations include products and gift cards, but we welcome any support you can offer. This a great opportunity to showcase your business and generosity.

If you have any questions or need further information, please contact Lisa Trayner at smupaauction@gmail.com. Donations may be sent to 2900 Klockner Rd, Hamilton, NJ 08690 attention Stephanie Giunta. Thank you for your consideration.

Sincerely,
